Subject: Amendment requests for license number 21-12275-02

This is a request of Ascension Borgess Hospital for the following amendment to its materials license no. 21-12275-02.

Presently our license shows the use of Sealed Sources (ISO Aid LLC, Model 1A1-125A (Advantage I-125); Medi-Physics, Model 6711 (OncoSeed); Theragenics Corporation. These sources were used for the treatment of prostate cancer. This program has now been disbanded. All I-125 seeds have decayed and been discarded. It is requested that this isotope be removed from our license.

If there are any questions, please do not hesitate to contact me at (269) 998-0003 or email at pjursinic@wmcc.org.

Thank you.
