Subject: Request additional information for NRC License No. 21-03210-01
Date: Tuesday, February 22, 2022 10:38:00 AM

Dear Ms. Smith:

This refers to the NRC Form 313 dated January 10, 2022 regarding Ascension St. John Hospital, NRC License No. 21-03210-01. In the attached letter, you notified us of the disposal of a sealed source authorized in Item 6.H. (Cs-137 for use in a blood irradiator) in the license. If you would like to delete Item 6.H. from your license, please provide a confirmation and the last leak test for the sealed source permitted under Item 6.H.

To continue the review of your application, we request that you submit your response under a dated and signed cover letter by March 22, 2022. In the cover letter, please refer the license number, docket number and Mail Control No. 629990.

If you have questions, require additional time to respond, or require clarification on any of the information stated above, please contact me at 630-829-9623 or reply to this email.

In accordance with Title 10 of the *Code of Federal Regulations* (10 CFR) 2.390 of the NRC's "Rules of Practice," a copy of this correspondence will be made available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC Web site at <https://www.nrc.gov/reading-rm/adams.html>.

Best regards,

Frank Tran
