Title: Second stakeholder outreach meeting on potential expansion of the current NRC policy (SRM to SECY 93-087) to address Common- Cause- Failure (CCF) in digital I&C systems to include the use of risk-informed approaches.

Date(s) and Time(s): June 08, 2022, 09:00 AM to 11:30 AM ET

Location: Webinar

Category: This is a Comment-Gathering Meeting. The purpose of this meeting is for NRC staff to meet directly with individuals to receive comments from participants on specific NRC decisions and actions to ensure that NRC staff understands their views and concerns.

Purpose: The purpose of the meeting is for the NRC to inform and solicit external stakeholders' feedback on the NRC staff's plan to expand the current policy in SRM to SECY 93-097, to address Common- Cause- Failure (CCF) in digital I&C systems to include the use of risk-informed approaches . The meeting will include a presentation by the NRC staff to explain and fully engage the stakeholders in a discussion of the proposed SECY paper. The opinions, perspectives, and feedback received at this meeting will be used to inform the development of the final SECY paper and other follow-up regulatory activities and actions.

Comments: Interested members of the public can participate in this meeting via video conference or telephone conference. Microsoft Teams is the video conferencing platform that will be used for this meeting. For additional details, please call the NRC meeting contact listed on the NRC public meeting notice or call the NRC's toll-free number, 1-800-368-5642, and ask the operator to be connected to the meeting contact (state the name of the individual). Presentation material by the NRC will be attached to the meeting and will be made available in the Agency wide Document Management System (ADAMS).

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please contact Anne Silk, NRC Reasonable Accommodations Coordinator, at Anne.Silk@nrc.gov or call directly at 301-287-0745. Determinations on requests for reasonable accommodation will be made on a case-by-case basis. Ten (10) days' advance notice is requested to try to ensure availability; however, every effort will be made to address a request for reasonable accommodations with less notice.
