Title: Notice of Closed Meeting

Date(s) and Time(s): May 25, 2022, 11:00 AM to 01:00 PM ET

Location: Webinar

Category: This is a Closed meeting. This covers closed meeting sessions requested pursuant to 10 CFR 2.390(d)(1), which relates to correspondence and reports to or from the NRC which contain information or records concerning a licensee's or applicant's physical protection, classified matter protection, or material control and accounting program for special nuclear material not otherwise designated as Safeguards Information or classified as National Security Information or Restricted Data.

Purpose: The purpose of this meeting is a follow-up to the first meeting (ID # 20220368) that took place on April 20, 2022, to inform stakeholders, with a need-to-know, about NRC staff's initial thoughts on performance-based methods to assess operating power reactors cyber security defensive strategies as part of the FOF inspection program. Other details of the purpose of this meeting are considered Official Use Only – Security-Related Information
