Thank you for the clarification and providing the contact information for Dr. Patel.

To proceed with also amending the license to include Amar U. Patel, M.D. as an Authorized User of licensed materials described in 10 CFR §35.100 and §35.200, please submit a letter signed by a management representative. Please reference your Materials License No. 13-17327-01 and Control No. 630718 in the letter for routing purposes. You may send the formal request to me via e-mail to expedite action on the request.

Ms. Busemeyer:

I have reviewed the request dated March 30, 2022, signed by Chris Carle, Chief Operating Officer, requesting the addition of Amar U. Patel, M.D., as the Associate Radiation Safety Officer, on U.S. Nuclear Regulatory Commission (NRC) Materials License No. 13-17327-01. You were identified as a point of contact for any inquiries regarding the request. The following bulleted items include a couple of inquiries regarding the request.

- The proposed Associate RSO is not currently authorized as an Authorized User on your license. Clarify if Amar U. Patel, M.D., should also be included as an Authorized User of licensed materials including uses described in 10 CFR §35.100 and §35.200 as presently authorized on the Kentucky Radioactive Material License No. 202-152-27, Amd. No. 110.
- The request did not include applicable contact information for Amar U. Patel, M.D. Please provide Dr. Patel's contact information, including all of the following as applicable:
  - office phone number

- mobile phone number
- fax number; and
- e-mail address.
