Dear Dr. Gardner:

We reviewed the amendment request dated March 28, 2022 for NRC License No. 21-00299-04 for VHS Sinai-Grace Hospital, Inc. Specifically, you request to replace the current Radiation Safety Officer (RSO) in the license with Joel Rogers, MS, DABR.

Based on Form 313, please provide a copy of the ABR certificate for Mr. Rogers. A sample of the acceptable certificate is posted in the NRC's website at <https://www.nrc.gov/materials/miau/med-use-toolkit/spec-board-cert.html>. In addition, based on the licensing guidance NUREG-1556, Volume 9, Revision 3, please provide contact information for the proposed RSO (business' phone number, email and/or fax).

In order to complete the amendment request on time, we would like to have your response by May 19, 2022. If you have any questions, please feel free to contact me at 630-829-9623 or [frank.tran@nrc.gov](mailto:frank.tran@nrc.gov).

Thank you,
