Subject: Docket No. 50-482: Foreign Ownership, Control or Influence ("FOCI")
Information – Change to Lists of Owners, Officers, Directors and Executive
Personnel – Form 405F Amendment

Dear Ms. Gavrilas:

This letter transmits changes in Wolf Creek Nuclear Operating Corporation's ("WCNOC") updated list of Owners, Officers, Directors and Executive Personnel ("OODEP") for WCNOC in respect of the Nuclear Regulatory Commission's FOCI determination and Facility Security Clearance determination for WCNOC and Wolf Creek Generating Station ("WCGS").

By this letter, WCNOC is transmitting notice of recent changes in OODEP for WCNOC in accordance with 10 CFR 95.17(a)(1), namely, the placement of James Scarola as a Director to replace John Art Stall, who recently retired.

The enclosed OODEP information contains personal confidential information. Therefore, WCNOC requests that the NRC treat the enclosure as exempt from public disclosure under 10 CFR 2.390(a)(6) as "Personal and medical files and similar files, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy."

This letter contains no commitments. If you have any questions concerning this matter, please contact me at (620) 364-4085 or Mr. Ron Benham at (620) 364-4204.

Sincerely,

A handwritten signature in black ink, appearing to read "Cleveland Reasoner".
