Title: Status of NRC Harvesting Activities

Date(s) and Time(s): June 27, 2022, 08:00 AM to 12:00 PM ET

Location: Two White Flint North, TWFN 6D02
11545 Rockville Pike
Rockville, MD

Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: This meeting will inform the public and stakeholders about the NRC staff's current plans and industry interactions related to harvesting of material samples from decommissioned nuclear power plants. The meeting will also provide a forum for other organizations involved in harvesting to provide an overview of their plans and perspectives related to harvesting.

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please contact Anne Silk, NRC Reasonable Accommodations Coordinator, at Anne.Silk@nrc.gov or call directly at 301-287-0745. Determinations on requests for reasonable accommodation will be made on a case-by-case basis. Ten (10) days' advance notice is requested to try to ensure availability; however, every effort will be made to address a request for reasonable accommodations with less notice.
