- 2) NRC Order EA-07-195, Issuance of Order for Implementation of Additional Security Measures and Fingerprinting for Unescorted Access for Certain Spent Fuel Storage Licensees - Kewaunee Power Station Independent Spent Fuel Storage Installation, dated January 28, 2008.
- 3) Letter from van Noordennen, G. (EnergySolutions LLC), "Designation of Reviewing Official for ISFSI and 10 CFR Part 37 Program Security Background Investigations," dated January 5, 2022.
- 4) Letter from Wharton, L. Raynard, USNRC to Gerry van Noordennen, ZionSolutions, LLC, "Acknowledgement of Reviewing Official Related to Order (EA-11-268) Implementation of Additional Security Measures and Fingerprinting for Unescorted Access to Zion Nuclear Power Station Independent Spent Fuel Storage Installation," dated October 27, 2015.

Dominion Energy Kewaunee, Inc. (DEK) and EnergySolutions, LLC, (EnergySolutions) submitted an "Application for Order Approving Transfer of Control of KPS License and Conforming License Amendments" for Kewaunee Power Station (KPS) to the U. S. Nuclear Regulatory Commission (NRC) for review in a letter dated May 10, 2021 (Reference 1).

In accordance with the Order referenced above (Reference 2) and 10 CFR Part 37 Program, EnergySolutions has designated Ms. Eileen Moore (Security Manager) to be the reviewing official for information from background investigations for access authorization at the KPS Independent Spent Fuel Storage Installation (ISFSI) upon transfer of the license from DEK to

UPON SEPARATION OF THE ATTACHMENT,  
THIS LETTER IS DECONTROLLED

EnergySolutions. The letter requesting approval of Ms. Moore to act as a reviewing official for the KPS ISFSI and the 10 CFR Part 37 Program was submitted on January 5, 2022 (Reference 3).

EnergySolutions, further requests the approval of Marie Boothe-Anderson (currently designated as a reviewing official for the Zion Nuclear Power Station ISFSI, Reference 4) as an additional reviewing official at KPS. EnergySolutions, consistent with their 10 CFR 73.56 Access Authorization Program, will approve the above individual for unescorted access at the KPS ISFSI and for the Part 37 Program.

The attachment contains personally identifiable information for Ms. Boothe-Anderson; accordingly, EnergySolutions requests that the Attachment be withheld from public disclosure in accordance with 10 CFR 2.390 (a)(6).

EnergySolutions requests a response to this letter by June 27, 2022, indicating whether this individual is accepted to act as a reviewing official for the KPS ISFSI and the 10 CFR Part 37 Program.

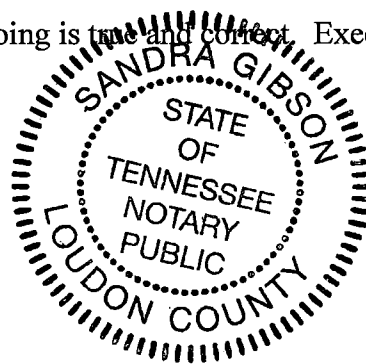

If there are questions regarding this matter, please contact J. R. Lynch at (508) 728-1421.

I declare under penalty of perjury that the foregoing is true and correct. Executed on this 13<sup>th</sup> day of June 2022.

Respectfully,

John T. Sauger  
President and Chief Nuclear Officer
