Ingelheim

Licensing Assistance Team  
US Nuclear Regulatory Commission Region I  
2100 Renaissance Boulevard  
Suite 100  
King Of Prussia, PA 19406-2713

To Whom It May Concern:

Drané O'Brien is the Radiation Safety Officer and is responsible for ensuring the safe use of radiation. The Radiation Safety Officer is responsible for managing the radiation safety program; identifying radiation protection problems, initiating, recommending, or providing corrective actions; verifying implementation of corrective actions and ensuring compliance with regulations.

The Radiation Safety Officer is hereby delegated the authority necessary to meet these responsibilities.

The Radiation Safety Officer has the authority to immediately stop any operations involving the use of radiation in which health and safety may be compromised or may result in non-compliance with NRC regulations. In addition, they are free to raise issues with the Nuclear Radiation Commission at any time.
