Dear Mr. Volkoff:

By letter dated June 16, 2022, NuScale Power, LLC indicated that the “Security-Related Information.” from public disclosure pursuant to Section 2.390(b)(4) of Title 10 of the *Code of Federal Regulations* (10 CFR):

NuScale Power, LLC has requested that the information be withheld in its entirety, therefore a nonproprietary copy is not available.

We have reviewed the June 16, 2022, letter and in accordance with the requirements of 10 CFR 2.390 and, on the basis of the statements contained therein, have been determined that the submitted information sought to be withheld contains Security-Related Information and should be withheld from public disclosure.

Therefore, the submitted information marked as Security-Related Information be withheld from public disclosure pursuant to 10 CFR 2.390(b)(5) and Section 103(b) of the Atomic Energy Act of 1954, as amended.

Withholding from public inspection shall not affect the right, if any, of persons properly and directly concerned to inspect the documents. If the need arises, we may send copies of this information to our consultants working in this area. We will, of course, ensure that the consultants have signed the appropriate agreements for handling proprietary information.

If the basis for withholding this information from public inspection should change in the future such that the information could then be made available for public inspection, you should promptly notify the NRC. You also should understand that the NRC may have cause to review this determination in the future, for example, if the scope of a Freedom of Information Act request includes your information. In all review situations, if the NRC makes a determination adverse to the above, you will be notified in advance of any public disclosure.

If you have any questions regarding this matter, I may be reached at 301-415-7646.

Sincerely,

/RA/
