**Subject:** [External\_Sender] 22-1177/RO - Shine Medical Isotope Production Facility- Draft Environmental Impact Statement

Good afternoon Mr. Rakovan:

We have reviewed the draft Environmental Impact Statement for the Shine Medical Isotope Production Facility (DEIS). We concur with the findings of this DEIS, and remain of the opinion the proposed federal undertaking will have No Effect to historic or cultural resources. We stand ready to continue through this consultation process.

Please do not hesitate to contact me should you have any questions or concerns.

Sincerely,

Tyler Howe
