Re: Docket No. 07000925; License No. SNM-928
Cimarron Environmental Response Trust
Retraction of License Amendment Request to Redefine the Licensed Area

Dear Sirs:

Solely as Trustee for the Cimarron Environmental Response Trust (CERT), Environmental Properties Management LLC (EPM) herein retracts the license amendment request to redefine the area under license SNM-928. EPM will instead request that License SNM-928 be amended to redefine the licensed area in Section 6 of *Facility Decommissioning Plan – Rev 3* (the D-Plan). It is our understanding that including this license amendment request in the D-Plan will expedite and administratively simplify the approval process. The D-Plan is currently scheduled to be submitted to the NRC by the end of September 2022.

Sincerely,

Jeff Lux, P.E.
Project Manager
