Subject: Draft Environmental Assessment Review Request
Attachments: IP2 & IP3 Exemption Draft Environmental Assessment.pdf

The attached draft Environmental Assessment is associated with the exemption request submitted by Holtec Decommissioning International, LLC on behalf of Indian Point 2 and Indian Point 3 to store more than one neutron source assemblies in a single HI-STORM 100 MPC-32M canister. It is being provided for your review and comment. Please provide any comments you might have within thirty days.

The attached PDF is password protected because it contains pre-decisional information. I'll call you as soon as possible to provide you with the password. Let me know if you have any questions.

Thanks, Chris Allen
