## Submitter Information

**Name:** Elizabeth Legatt

**Address:**

Ossining, NY, 10562

---

## General Comment

As Westchester County, NY residents who live 9 miles from the recently decommissioned Indian Point nuclear reactors, we are appalled and frightened to learn that the NRC's proposed loosening of regulations for dismantling of the facility would permit dumping of nuclear waste into the Hudson River. This must not be allowed, and the NRC should not abandon its mission to protect the public. Do not loosen your regulations.

Elizabeth and Alan Legatt

Ossining, NY
