Subject: General License Report for Previous Calendar Quarter, License # 53-0720

Dear GLTS Coordinator,

In accordance with 10 CFR 32.52, Viken Detection Corporation is providing this quarterly report for your review. This report is provided to to the US Nuclear Regulatory Commission, and pertinent portions are provided to each Agreement State as required above. Additionally, this report is provided to all Non-Agreement States as a courtesy report of Viken Detection Corporation XRF instruments distributed in those states. Please note that this report contains all domestic general license distributions and may include those made to licensees in Agreement States but licensed by the NRC due to Exclusive Federal Jurisdiction.

The generally licensed devices listed in the attachment to this letter were distributed from Viken Detection Corporation's facility at the adress above under the provisions of Massachusetts radioactive materials license # 53-0720.

If you have any questions regarding this report, please contact Jim Blute at (978) 337-4517.

Sincerely,

Jim Blute
Radiation Safety Officer
