Title: 2022 NRC Standards Forum (Virtual Meeting)

Date(s) and Time(s): September 28, 2022, 10:00 AM to 05:15 PM ET

Location: Webinar

Category: This is a Open meeting. Public participation is actively sought for this meeting to fully engage the public in a discussion of regulatory issues.

Purpose: The Forum aims at facilitating discussions on codes and standards needs within the nuclear industry and explore how to collaborate in accelerating the development of codes and standards and the NRC's endorsement of these codes and standards in its regulations and regulatory guides. The Forum is an interactive meeting, sponsored by the NRC, that engages stakeholders, such as standards development organizations (e.g. ACI, ANS, ASCE, ASME, ASTM, IEEE, etc.), industry representatives, research organizations, academia, and NRC staff.

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please contact Anne Silk, NRC Reasonable Accommodations Coordinator, at Anne.Silk@nrc.gov or call directly at 301-287-0745. Determinations on requests for reasonable accommodation will be made on a case-by-case basis. Ten (10) days' advance notice is requested to try to ensure availability; however, every effort will be made to address a request for reasonable accommodations with less notice.
