Hello Mr. Gallagher,

On June 20, 2022, MedStar Georgetown Medical Center D/B/A MedStar Georgetown University Hospital Reorganized the Radiation Safety Officer report structure to report to the Chief Medical Officer instead of the Chief Operating Officer. This communication is to alert you of this change. The new structure is as illustrated below

If you have any questions or concerns, please feel free to contact me via phone at (202)-444-4637 or by email at Matthew.H.Williams@GUNet.Georgetown.EDU

Cheers,

Matthew H. Williams
Director of Radiation Safety
