Laura

You are correct, no licensed material will be stored at the new location. Just update our address and we should be good to go.

Thanks for your help,

Brad

Subject: Pending NRC License Amendment - Clarification Requested

Hello Bradley,

I am currently processing your NRC license amendment request and am writing to confirm with you that licensed material will not be stored at the new location provided and that the only request is to update the mailing address.

Thank you,
Laura
