Dear Theresa V. Clark:

Enclosed are copies of the final Washington State Department of Health rules, Washington Administrative Code (WAC) 246 chapters 232, 235, and 240 effective as of 10/21/22. The final regulations are identified by line-in/line-out text and correspond to the following equivalent amendments to NRC's regulations.

<u>RATS ID</u>	<u>Title</u>	<u>NRC Section</u>	<u>WA State Section</u>
2018-1	Medical Use of Byproduct Material – Medical Event Definitions, Training and Experience, and Clarifying Amendments	§ 30, § 32, and § 35.	WAC 246-232, WAC 246-235, and WAC 246-240.

We believe that adoption of these revisions satisfies the compatibility and health and safety categories established in the Office of Nuclear Material Safety and Safeguards (NMSS) Procedure SA-200.
