Title: Virtual Public Meeting on "Developing Options for a Regulatory Framework for Fusion Energy Systems"

Date(s) and Time(s): November 29, 2022, 02:30 PM to 04:00 PM ET

Location: Webinar

Category: This is a Comment-Gathering Meeting. The purpose of this meeting is for NRC staff to meet directly with individuals to receive comments from participants on specific NRC decisions and actions to ensure that NRC staff understands their views and concerns.

Purpose: The Nuclear Regulatory Commission (NRC) staff is hosting a virtual public meeting to provide an opportunity for external stakeholders and the NRC staff to exchange information on the NRC's development of a regulatory framework for the possible commercial deployment of fusion energy systems. Specifically, the NRC staff will present further details on the hybrid approach option discussed at the recent NRC Commission meeting and in the staff's response to the Advisory Committee on Reactor Safeguards letter on fusion regulation.

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please contact Anne Silk, NRC Reasonable Accommodations Coordinator, at Anne.Silk@nrc.gov or call directly at 301-287-0745. Determinations on requests for reasonable accommodation will be made on a case-by-case basis. Ten (10) days' advance notice is requested to try to ensure availability; however, every effort will be made to address a request for reasonable accommodations with less notice.
