Rockville, MD 20852-2738

Dear DFM Director,

In accordance with the Memorandum of Understanding between our agencies, I request that you review the attached Japanese Certificate of Competent Authority J/2026/AF-96 (Rev.0), dated February 7, 2022, for the MX-6 package and make a recommendation concerning our revalidation of the package for import and export use.

To assist you in your review, a copy of the package design safety report for the MX-6 package, along with other supporting documents will be provided to your staff electronically.

If you have any questions or need any additional safety information, please feel free to contact Michael Conroy of my staff at (202) 366-3597 or via email at Michael.Conroy@dot.gov.

Sincerely,

Richard W. Boyle,  
Radioactive Materials  
Division of Sciences and Engineering  
Office of Hazardous Materials Safety
