Importance: High

Mr. James Downs
Senior Project Manager
Fuel Facility Licensing Branch
Division of Fuel Management
Office of Nuclear Material Safety and Safeguards

Dear Mr. Downs,

Nuclear Fuel Services, Inc. (NFS) received a Request for Additional Information transmitted by Nuclear Regulatory Commission (NRC) letter dated August 31, 2022. The additional information is needed before final action can be taken on the license amendment request related to the uranium purification and conversion (U-Metal) services proposed at the facility.

This correspondence provides notification to NRC staff that responses to the Request for Additional Information will be transmitted on or before December 23, 2022.

If you have any questions regarding this matter, please contact me by email at tcholly@bwxt.com.

Best regards,
Tom Holly
NFS Licensing Manager
