Subject: DUPONT SPECIALTY PRODUCTS, LLC, REQUEST FOR ADDITIONAL INFORMATION FOR CHANGE OF CONTROL, LICENSE NO. 47-01876-01, MAIL CONTROL 633415

Dear Ms. Ullrich:

This response is in reference to your letter dated November 9, 2022, requesting follow up information to a change in control of part of our licensed activities authorized by NRC License No. 47-01876-01. Please find below the following information in response to your questions:

1. We are confirming that any future license amendments will be signed by a Management Representative rather than the Radiation Safety Officer as to demonstrate that Management has reviewed the application and concurs in the statements and representations contained within.
- 2a. The physical address of this facility now has four businesses within one industrial site. This license (02) will manage the sources within the newly purchased DuPont M&M business by Celanese (Dupont Polymer Products, USA LLC) which is headquartered in Dallas, Texas. The remaining business not included in the sale, DuPont Delrin (DuPont Specialty Products USA, LLC) will remain with the parent DuPont company based out of Wilmington, Delaware. Two separate management and oversight committees have been established, one for the existing DuPont license and one for the newly applied for license. The storage, places of use, and facilities for Dupont Specialty Products USA, LLC has been noted for the Delrin area only.
- 2b. All required surveillance [leak tests and surveys] have been performed and documented, but no sources are physical being moved.
- 2c. In accordance with 1556, Vol. 15, Rev. a, Section 5.5, all records will transfer to the new licensee, Bryan S. Monroe.
- 3a. The parent company of DuPont Specialty Products USA, LLC did not change.
- 3b. There are no sources being physical moved related to this license.
- 3c. There are no sources being physical moved related to this license. The transferee is aware of all required inspection items.
4. Celanese is currently working with NRC to obtain license.
5. The name on license No. 47-01876-01 will remain the same.

We thank you for your attention to this matter. If you have any questions or need additional information, please do not hesitate to contact Bryan S. Monroe at (681) 484-2761.

Best Regards,

A handwritten signature in black ink, appearing to read 'J. Ankrom', with a large loop at the end.

Josh Ankrom
EH&S Manager
