Subject: SMR, LLC Online Reference Portal Information Access Agreement (Project No. 99902049)

SMR, LLC is pleased to submit the "Information Access Agreement" which will be used as the acknowledgment form for the authorized NRC staff and contractors' access to the online reference portal. Any proposed modification or addition to the enclosed "Information Access Agreement" would require further review by SMR-160 licensing staff and the NRC staff. For reference, SMR, LLC, and the NRC staff discussed the use of an online reference portal that would provide authorized NRC staff and contractors with limited read-only access to certain materials owned by and under the control of Holtec. The purpose of the online reference portal is to enhance the NRC staff's ability to efficiently perform its regulatory licensing responsibilities by providing access to specific reference and background materials in a non-publicly available portal owned/operated by the applicant.

If you have any questions or require any additional information, please contact Justin Hawkins, SMR-160 Director of Licensing, at j.hawkins@holtec.com, (O) 856-797-0900 x3452, or (C) 609-941-5765.

Respectfully,

Justin Hawkins
Director of Licensing, SMR, LLC
