Thanks Roman,

It took a couple of minutes, but I was able to download and open all the outline files. As soon as Travis is back and has a chance to look them over we will get back to you! Stay warm!

Randy

Travis/Randy

Just wanted to give you guys a heads up on where I'm at. In Minnesota and its cold LOL

Anyways, our facility rep will be reviewing the outline material next week. Assuming there aren't any issues, I should be able to upload the material to the Box by midweek.

This is a couple weeks early of our May 19th deadline so I wanted you to know it was coming.

Any questions, let me know.

Thank you
