Title: St. Lucie SRLA – Discussion on St. Lucie RAI Set#4 Responses

Date(s) and Time(s): January 17, 2023, 10:00 AM to 12:00 PM ET

Location: Webinar

Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: To discuss Florida Power and Light (FPL) proposed responses to select NRC requests for additional information (RAIs) associated with the safety review of the St. Lucie, Units 1 and 2 Subsequent License Renewal Application (SLRA) and enable the staff to gain a better understanding of FPL's approach to aging management.
