Good afternoon John,

This email formally acknowledges receipt of the letter from Cleveland-Cliffs Steel Corporation – Dearborn Works received on January 17, 2023, in response to the U.S. Nuclear Regulatory Commission's (NRC's) letter dated December 23, 2022, transmitting a Notice of Violation. In this letter, the company identified the corrective actions that it has taken and plans to take to address the cited violations.

The NRC has reviewed the company's corrective actions, which appear to be adequate, and has no further questions at this time. The effectiveness of these corrective actions will be examined during a future inspection.
