Title: CLOSED PREDECISIONAL ENFORCEMENT CONFERENCE WITH FORMER DAY AND ZIMMERMAN SUPERVISOR AND SNC CONTRACTOR ON MAY 30, 2023

Date(s) and Time(s): May 30, 2023, 10:00 AM to 12:00 PM ET

Location: NRC Region II Office, Marquis One Tower, Suite 1200  
245 Peachtree Center Avenue, N.E.  
Atlanta, GA

Category: This is a Closed meeting. This covers closed meeting sessions requested pursuant to 10 CFR 2.390(d)(1), which relates to correspondence and reports to or from the NRC which contain information or records concerning a licensee's or applicant's physical protection, classified matter protection, or material control and accounting program for special nuclear material not otherwise designated as Safeguards Information or classified as National Security Information or Restricted Data.

Purpose: The purpose of this pre-decisional enforcement conference is to discuss the circumstances of a supervisor employed by Day and Zimmerman (D&Z), a contractor of SNC at Vogtle Electric Generating Plant Unit 1 and 2 involving apparent willful violations. This conference is closed to public observation because it involves the findings of an NRC Office of Investigations report that has not been publicly disclosed and because it involves potential wrongdoing by an individual. The NRC issued a choice letter and apparent violation to the individual on March 30, 2023. The former D&Z supervisor, a SNC contractor, will be provided an opportunity to present additional information along with his perspectives associated with the apparent violation and the completed NRC investigation.
