Title: Preapplication Meeting with SMR, LLC (A Holtec International Company) regarding verification and validation of codes to support the Construction Permit for the Holtec SMR-160 design

Date(s) and Time(s): July 19, 2023, 01:30 PM to 03:30 PM ET

Location: Teleconference

Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The purpose of this preapplication meeting is to discuss verification and validation of codes to support the Construction Permit for the Holtec SMR-160 design. Portions of this meeting may be closed to discuss proprietary information. Members of the public interested in participating in the meeting should email the NRC Meeting Contacts three business days before the meeting (by Jul 14) to obtain additional information.
