PUBLIC MEETING ANNOUNCEMENT

Title: 2023 NRC Standards Forum

Date(s) and Time(s): September 13, 2023, 10:00 AM to 04:30 PM ET

Location: Hybrid - NRC Two White Flint North Auditorium, and Microsoft Teams
                       11545 Rockville Pike
                       Rockville, MD

Category: This is a Open meeting. Public participation is actively sought for this meeting to fully
                       engage the public in a discussion of regulatory issues.

Purpose: The Forum aims at facilitating strategic discussions on codes and standards needs and
                       priorities across standards development organizations, and organizations that rely on the
                       development of those standards. Also, to facilitate discussions on how to collaborate in
                       accelerating the development of codes and standards and the NRC's endorsement of
                       these codes and standards in its regulations and regulatory guides. The Forum is an
                       interactive meeting, sponsored by the NRC, that engages stakeholders, such as standards
                       development organizations (e.g. ACI, ANS, ASCE, ASME, ASTM, IEEE, etc.), industry
                       representatives, research organizations, academia, the general public, and NRC staff.
