Comments: Submitted comments can be accessed by searching regulations.gov for the Docket ID numbers NRC-2022-0073 through 0082 and then clicking on the "View Related Comments" at the top of the page.

A stakeholder who submitted a comment in response to one or more of the May 25, 2023, Federal Register notices listed above may request time on the meeting agenda to speak at the meeting. Such a stakeholder should submit a request to speak no later than August 18, 2023, to Michael Orenak, NRC, at the e-mail address (preferred) or telephone number stated above. The NRC staff will allocate speaking time depending on the number of requests received and the number and complexity of the comments submitted by each person who requests time to speak.

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please contact Anne Silk, NRC Reasonable Accommodations Coordinator, at Anne.Silk@nrc.gov or call directly at 301-287-0745. Determinations on requests for reasonable accommodation will be made on a case-by-case basis. Ten (10) days' advance notice is requested to try to ensure availability; however, every effort will be made to address a request for reasonable accommodations with less notice.
