MEMORANDUM

(Correcting Conference ID Passcode for Prehearing Conference)

In its September 26, 2023 issuance regarding the Licensing Board's prehearing conference scheduled for Tuesday, October 3, 2023, beginning at 3:00 p.m. Eastern Time, the conference ID passcode listed for the public call-in, listen-only line was incorrect, missing a "4" at the end of the passcode number sequence. The correct conference ID passcode and associated connection information are as follows:

(301) 576-2978 and enter the conference ID passcode 92640284, followed by the "#" sign.

Also, as was noted in the Board's September 26 order,* after successful entry of the conference ID passcode, you will hear the following message: "You are not allowed to unmute. To raise your hand press *5." However, this conference line is not being monitored and pressing *5 will not allow you to participate in the conference. For this prehearing conference,

* See Licensing Board Memorandum and Order (Scheduling Prehearing Conference; Providing Information Technology and Administrative Information) (Sept. 26, 2023) at 2 (unpublished).

the Board will only hear from counsel representing the parties and the 10 C.F.R. § 2.315(c) interested governmental entities.
