Title: Prairie Island Nuclear Generating Plant, Units 1 and 2, Notice of Meeting with Northern States Power Company - Minnesota, doing business as Xcel Energy

Date(s) and Time(s): March 06, 2024, 01:00 PM to 02:00 PM ET

Location: Webinar

Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: To discuss a proposed license amendment request to modify technical specification definitions, and plant specific methods, for instrumentation response time testing. The proposed changes are similar to Technical Specifications Task Force Traveler TSTF-569, "Revise Response Time Testing Definition."

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation due to a disability to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request for accommodation to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
