Title: Advanced Reactor Oversight Process (ARCOP) External Workshop

Date(s) and Time(s): February 28, 2024, 01:00 PM to 04:00 PM ET

Location: Hybrid, Commission Hearing Room  
11555 Rockville Pike  
Rockville, MD

Category: This is an Information Meeting with a Question and Answer Session. The purpose of this meeting is for the NRC staff to meet directly with individuals to discuss regulatory and technical issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed throughout the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: Discuss the objective and draft conceptual framework of the proposed ARCOP, and initiate dialogue with the public stakeholders about potential oversight options.

Comments: Please contact the Kevin Roche at [kevin.roche@nrc.gov](mailto:kevin.roche@nrc.gov) as soon as possible if you plan to attend in person so you can be entered into the visitor system ahead of the meeting. Note: members of the public will still be able to attend regardless of whether they contact the NRC ahead of time.

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation due to a disability to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please email [Reasonable\\_Accommodations.Resource@nrc.gov](mailto:Reasonable_Accommodations.Resource@nrc.gov). Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request for accommodation to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
