Title: Partially Closed Preapplication Meeting with Energy Northwest to Discuss a Future Amendment Request to Approve an Extended Power Uprate and Maximum Extended Load Line Limit Analysis Plus for the Columbia Generating Station (L-2024-LRM-0006)

Date(s) and Time(s): April 17, 2024, 10:00 AM to 03:30 PM ET

Location: NRC One White Flint North, OWFN-01G05
11555 Rockville Pike
Rockville, MD

Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The purpose of this partially closed meeting between Energy Northwest (the licensee) and the U.S. Nuclear Regulatory Commission (NRC) staff, is to discuss the licensee's future license amendment request for approval to implement an extended power uprate and maximum load line limit plus at Columbia Generating Station. Publicly available presentation slides for this meeting can be found in the Agencywide Documents Access and Management System (ADAMS) at Accession No. ML24057A354.

Comments: Interested members of the public can participate in the public portion of this meeting via audio teleconference. Portions of the meeting will include discussion of proprietary topics and will be closed to the public. In the non-proprietary portions of the meeting, members of the public will have one or more opportunities to communicate with the NRC staff after the public business portion of the meeting.

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation due to a disability to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request for accommodation to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
