

February 27, 2024

Title: March 11, 2024, Public Meeting between U.S. Nuclear Regulatory Commission (NRC) Management from the Office of Nuclear Reactor Regulation (NRR) and Pressurized Water Reactor Owners Group (PWROG) Executive Committee at North Bethesda Marriott

Date(s) and Time(s): March 11, 2024, 02:20 PM to 04:15 PM ET

Location: North Bethesda Marriott , White B Conference Room  
5701 Marinelli Road  
Rockville, MD

Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The purpose of this meeting between NRC Management from NRR and the PWROG Executive Committee is to discuss NRC top focus areas for calendar year 2024, specifically, NRC's perspective on risk initiatives, and topical report process improvements.

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation due to a disability to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please email [Reasonable\\_Accommodations.Resource@nrc.gov](mailto:Reasonable_Accommodations.Resource@nrc.gov). Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request for accommodation to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
