

PUBLIC MEETING ANNOUNCEMENT

Title: NRC Public Outreach to Discuss Palo Verde Nuclear Generating Station 2023 Reactor Oversight Program Performance Assessment

Date(s) and Time(s): March 24, 2024, 09:00 AM to 01:00 PM PT

Location: Tartesso Farmer's Market
N 303rd Ave
Buckeye, AZ

Category: This is an Information Meeting with a Question and Answer Session. The purpose of this meeting is for the NRC staff to meet directly with individuals to discuss regulatory and technical issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed throughout the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The NRC staff will host an in-person public outreach information session to discuss the NRC's assessment of safety performance at Palo Verde Units 1, 2, and 3 for 2023, as described in the 2023 annual assessment letter. The NRC will be available to respond to questions about the safety performance of the station and the role of the NRC and the resident inspectors in ensuring safe plant operations.

Comments: This public outreach will be open to the public.

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation due to a disability to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request for accommodation to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
