Title: U. S. Nuclear Regulatory Commission (NRC) Public Meeting with the Nuclear Energy Institute (NEI) to discuss the Review of NEI-99-01, Rev. 7, "Development of Emergency Action Levels for Non-Passive Reactors"

Date(s) and Time(s): March 15, 2024, 09:00 AM to 11:00 AM ET

Location: Webinar

Category:	This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.
-----------	---

Purpose: The purpose of this public meeting is to address NEI's request for NRC engagement on the latest draft of NEI 99-01. The NRC staff plans to discuss comments on the subject guidance document prior to its submittal for formal review. Members of the public are invited to observe the meeting and discuss regulatory issues with the NRC representatives at the designated time in the agenda.

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation due to a disability to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request for accommodation to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
