April 15, 2024

Title: Robust Pre-Application Review and Meeting for EPRI Report 3002028939, "Risk-informed High Energy Line Break Evaluation Requirements"

Date(s) and Time(s): April 25, 2024, 01:00 PM to 03:00 PM ET

Location: Hybrid

Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: To provide NRC staff's comments on the draft EPRI Report 3002028939, "Risk-informed High Energy Line Break Evaluation Requirements," to help EPRI produce a high-quality, complete report

Contact: Lois James 301-415-3306 lois.james@nrc.gov

Docket No: 99902021

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation due to a disability to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodations will be made on a case-by-case basis and the agency may choose between effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request for accommodation to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
