Title: HYBRID PUBLIC OUTREACH MEETING ON THE POTENTIAL PALISADES NUCLEAR PLANT RESTART

Date(s) and Time(s): April 17, 2024, 06:00 PM to 08:15 PM ET

Location: Grand Upton Hall at Lake Michigan College
2755 E. Napier Avenue
Benton Harbor, MI

Category: This is an Information Meeting with a Question and Answer Session. The purpose of this meeting is for the NRC staff to meet directly with individuals to discuss regulatory and technical issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed throughout the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The U.S. Nuclear Regulatory Commission (NRC) staff will discuss the NRC's Restart Panel, licensing reviews, inspection activities, and environmental review for the Palisades Nuclear Plant potential resumption of power operations. The public is encouraged to ask questions about the NRC's oversight and licensing efforts pertaining to the potential Palisades restart.

Comments: This meeting is hybrid (In person & Virtual). The Open House will be held in person only from 6:00 PM to 6:30 PM, as it does not lend itself to the hybrid format. Members of the public, who are participating virtually can join the meeting at 6:30 PM ET. Register in advance of the meeting by clicking on the link provided. The link will take you to a new page where you will be asked to provide registration information including an email address, so that the system can send the Microsoft Teams link for the meeting. We ask that you do this in advance (at least 30 minutes) to provide the system time to send the link before the meeting starts.

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation due to a disability to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request for accommodation to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
