

April 17, 2024

Title: Public Pre-submittal Meeting with the Nuclear Regulatory Commission Staff and NextEra Energy Seabrook LLC (NextEra) regarding a proposed license amendment request (LAR) related to Seabrook's planned Fall 2024 outage.

Date(s) and Time(s): April 30, 2024, 11:00 AM to 12:00 PM ET

Location: Teleconference

Category: This is a Open meeting. Public participation is actively sought for this meeting to fully engage the public in a discussion of regulatory issues.

Purpose: For the Nuclear Regulatory Commission staff and NextEra representatives to discuss the a proposed LAR allow Seabrook to exit a planned Fall 2024 refueling outage and conduct MODE 2 low-power physics testing concurrent with ongoing main generator breaker repair that would render one offsite AC power source inoperable. Upon completion of the low power physics testing, the unit would re-enter MODE 3 until the main generator breaker repair is completed and the affected offsite AC power source is restored to operability.

Comments: Interested members of the public can participate in this meeting via the Microsoft Teams Link or by the Teleconference Number provided. For additional details, please call or email V. Sreenivas at the phone number or email address on the Public Meeting Notice or call the NRC's toll-free number, 1-800-368-5642, and ask the operator to be connected.

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation due to a disability to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request for accommodation to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
