

PUBLIC MEETING ANNOUNCEMENT

Title: Public Workshop to Discuss Centralized Inspections

Date(s) and Time(s): May 09, 2024, 10:00 AM to 12:30 PM ET

Location: One White Flint North, OWFN-07B04
11555 Rockville Pike
Rockville, MD

Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: To continue discussion on conducting reactor inspections at centralized facilities responsible for areas of NRC inspections. The NRC staff, industry and the public will have dialogue to include NRC feedback on input provided by industry and the public in previous public meetings on the subject and dialogue on how any level of inspection of centralized facilities could work under the NRC's oversight framework.

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation due to a disability to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request for accommodation to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
