Title: Preapplication Meeting with SMR, LLC (A Holtec International Company) regarding Instrumentation & Control (I&C), Electrical Design, and Human Factors Engineering

Date(s) and Time(s): June 05, 2024, 09:30 AM to 10:30 AM ET

Location: Teleconference, HQ-OWFN-09B04-Tech

Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: On May 8, 2024, the NRC held a public meeting with SMR (Holtec) to discuss the updated SMR-300 design, at which the subject topic was not discussed (ML24122C701). The purpose of this preapplication meeting is to discuss the proprietary subject topic regarding I&C, Electrical Design, and Human Factors Engineering. There will be a brief open session, ten minutes, to describe the purpose of the meeting, and allow members of the public to ask questions or make a comment to NRC staff. The closed session to discuss the proprietary subject topic will immediately follow the open session.

Docket No: 99902049

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation due to a disability to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request for accommodation to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
