Title: NRC'S May 2024 Licensing Amendment Review Process Workshop

Date(s) and Time(s): May 29, 2024, 01:00 PM to 04:30 PM ET

Location: NRC One White Flint North, HQ-OWFN-01G05  
11555 Rockville Pike  
Rockville, MD

Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The purpose of this public workshop is for the U.S. Nuclear Regulatory Commission (NRC) and industry representatives to meet and discuss LIC-101 "License Amendment Review (LAR) Procedures" focusing on work planning activities associated with various steps involved in each phase of the LAR.

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation due to a disability to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please email [Reasonable\\_Accommodations.Resource@nrc.gov](mailto:Reasonable_Accommodations.Resource@nrc.gov). Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request for accommodation to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
