PUBLIC MEETING ANNOUNCEMENT

Title: AP300 pre-application meeting for White Paper on Safety Classification and Seismic

Categorization

Date(s) and Time(s): June 24, 2024, 02:00 PM to 02:20 PM ET

Location: Teleconference

Category: This is an Observation Meeting. This is a meeting in which attendees will have an

opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this

meeting.

Purpose: The purpose of this meeting is to continue the course of AP300 white paper public pre-

submittal meetings. This particular public pre-submittal meeting relates to a yet-to-be-submitted AP300 white paper on "Safety Classification and Seismic Categorization." Westinghouse will discuss some of the changes and unique features of the AP300 from the current AP1000 and how that may change their associated safety class or seismic category. Westinghouse is requesting early feedback on their proposed white paper. This meeting will be followed by a meeting to discuss details Westinghouse considers to be

proprietary.

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation due to a disability to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request for accommodation to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
