## PUBLIC MEETING ANNOUNCEMENT

Title: NRC Hybrid Public Meeting - Update to RG 1.183, Revision 1, "Alternative Radiological

Source Terms for Evaluating Design Basis Accidents at Nuclear Power Reactors"

Date(s) and Time(s): June 12, 2024, 01:00 PM to 04:30 PM ET

Location: Virtual and In-Person at NRC HQ, One White Flint North

11555 Rockville Pike

Rockville, MD

Category: This is an Information Meeting with a Question and Answer Session. The purpose of this

> meeting is for the NRC staff to meet directly with individuals to discuss regulatory and technical issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed throughout the meeting; however, the NRC is

not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: This information public meeting is to discuss Draft Guide (DG) - 1425, a revision to RG

> 1.183, Revision 1 (https://www.nrc.gov/docs/ML2308/ML23082A305.pdf). NRC staff will discuss updates to the guidance including updates to extend the applicability of the guidance to higher burnup and increased enrichment fuel applications, in support of the NRC's Increased Enrichment Rulemaking (https://www.regulations.gov/document/NRC-2020-0034-0005), and to address feedback that is relevant to the guidance. This meeting will allow for the NRC's external stakeholders to participate in the regulatory process by reviewing draft changes to guidance and providing input to NRC staff as described in the

NRC's policy statement on public meetings at 86 FR 14964.

Comments: \*\*\*Registration for this event is important to enable NRC staff planning.\*\*\*

Participation is welcome either in-person or virtually (through MS Teams or

Teleconference).

Please contact David Garmon (david.garmon@nrc.gov) if you need assistance regarding

p9hWKt

this meeting.

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation due to a disability to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please email Reasonable Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request for accommodation to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
