Title: Pre-Submittal Meeting with Arizona Public Service Company to Discuss Two Relief Requests Related to License Renewal for Palo Verde Nuclear Generating Station, Unit 1.

Date(s) and Time(s): July 12, 2024, 02:00 PM to 03:00 PM ET

Location: Teleconference

Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The purpose of this meeting between Arizona Public Service Company (APS, the licensee) and U.S. Nuclear Regulatory Commission (NRC) staff is to discuss Relief Requests 71 and 72 related to license renewal for Palo Verde Nuclear Generating Station, Unit 1. These proposed Relief Requests supersede previously approved requests that expire at the end of the original operating license (June 1, 2025) and request approval to continue through the period of extended operation (June 1, 2045).

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation due to a disability to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request for accommodation to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
