Comments: No regulatory decisions will be made during the meeting.

Because meetings are sometimes canceled or rescheduled as a result of unforeseen circumstances such as severe weather, confirm the meeting schedule by checking the Public Meeting Schedule or communicating with the meeting contact. Seating may be limited and will be available on a first-come basis. Inform the NRC's meeting contact of your intention to attend by August 2, 2024. This step will ensure that sufficient copies of meeting materials are available.

The NRC's Policy Statement, "Enhancing Public Participation in NRC Meetings," effective March 19, 2021, applies to this meeting. The policy statement may be found on the NRC website: <https://www.govinfo.gov/content/pkg/FR-2021-03-19/pdf/2021-05787.pdf>

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation due to a disability to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please email [Reasonable\\_Accommodations.Resource@nrc.gov](mailto:Reasonable_Accommodations.Resource@nrc.gov). Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request for accommodation to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
