Title: Pre-planning meeting to discuss the various future license amendment requests for the Salem Power Uprate.

Date(s) and Time(s): August 20, 2024, 10:00 AM to 12:00 PM ET

Location: Hybrid, O8B04
11555 Rockville Pike
Rockville, MD

Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The purpose of this pre-planning meeting between the U.S. Nuclear Regulatory Commission (NRC) and the PSEG Nuclear LLC is to discuss the various license amendment requests (LARs) that will be submitted in support of the Salem Power Uprate planned for early 2026.

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation due to a disability to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request for accommodation to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
